General Provisions

Amega 2021 promotion is run by the Amega forex broker from 15/12/2020 to 31/01/2021.

Only fully verified customers can participate in the promotion. Read more about the customer verification procedure in the [Help center - Account verification](#).

Participation rules

To receive the bonus during the promotion period, a verified customer would require to do the following:

1. Make a one-time minimum deposit of 100 USD to the personal account.
2. Trade a minimum of 2 lots on any of their real trading accounts.
3. Send a request for the bonus to the email address support@amegafx.com.
4. Activate the promotional code received via email and receive the fixed bonus amounting to 202.1 USD.

Bonus procedure

Review of bonus requests and issuing bonuses

After verifying that the bonus conditions are met, the customer will receive an email with a promo code to receive the bonus funds and further instructions.

Requests to receive the bonus are accepted from 15/12/2020 to 31/01/2021. The decision regarding each request will be made and communicated to the participant no later than 05/02/2021.

Prizes

The bonus funds amounting to 202.1 USD, are added to the Standard Promo MT5 trading account and are available for use during a period of 30 days from the moment of activation of the promo code. The maximum leverage is 1:33. All profits generated as a result of trading are available for withdrawal.
