

Effective October 10, 2019

Full Terms and Conditions of the 50% multiple bonus on trading account deposits

General Provisions

1

General Provisions

1. 50% bonus can be credited to Premium MT5 or Premium MT4 trading account in any available currency.
2. 50% bonus can be simultaneously used on several trading accounts.
3. Only one bonus can be credited to trading account.
4. 50% bonus can be claimed multiple times with any deposit amount. The company has the right to limit the bonus amount.
5. A bonus will be credited automatically when a deposit is made into a trading account through the corresponding section of My Account, provided that this option is selected when making the deposit.
6. In the event that funds which were used to claim a bonus are withdrawn from the trading account after the bonus has been credited, the bonus shall be reduced by an amount equal to the amount withdrawn. The bonus requirements must still be met on the full amount of the initially awarded bonus.
7. Bonus funds can be used for trading as well as customer's own funds and they are not included to the drawdown.
8. The company reserves the right to cancel the bonus without prior warning.
9. The bonus funds can be transferred from the trading account to the transitory account until the bonus conditions are fulfilled in full.
10. To complete the bonus conditions in full, customers need to make trades using any instruments available in trading terminal to the total value of 1 lot per each \$1 of bonus funds from the moment the bonus is credited to the account. The time period for completing the bonus conditions is not limited.
11. The opening of opposite transactions using one financial instrument on different trading accounts with bonus funds at the same time is prohibited.
12. Once terms of the bonus is fulfilled a customer should make a request (My account section) to transfer bonus funds to have an opportunity to withdraw funds.
